The District Committee Training Workshop is required basic training for District committee members. Meet with members of your district committee and members of neighboring districts to learn how to better work together to bring a great Scouting program to our youth.

As a result of completing the workshop, you will be able to:

- Define the four functions of district operations
- Identify responsibilities of the key district positions
- Understand your role in the district
- Understand how your role in the district fits with others
- Identify the major tasks of your specific committee or district assignment
